

The first Jewish family of Abraham, Sarah, Hagar, Isaac, and Ishmael, birthing the kindred monotheistic religions of Judaism, Christianity, and Islam, reflects deep convictions along with searing conflicts whose profound impact is still with us today. This we know for sure, our basic human make-up of passions and prejudices, loves and hatreds has not changed. We remain subject to their influences in determining our conduct, positively and negatively. While naturally we tend to dwell on the multiple challenges and struggles of contemporary life, there is much we can absorb from those who laid the foundation for the twin components of Jewish identity, faith, and peoplehood.

Abraham and Sarah had the stamina to leave their home in pagan Mesopotamia in search of new beginnings—spiritually, physically, and psychologically. They were not deterred by the cumbersome obstacles such a journey and journeys would entail, sustained by a driving vision of an encounter with a God whose unifying message captured their yearning imagination. Soon they would discover, however, that their newly found breakthrough faith was intertwined with a fragmented reality. The shared tenets and tents in an unknown territory would become the testing ground for lofty ideals and binding values. The Rabbis teach us that the founders' tent in the wilderness of Canaan was open on all sides to allow one and all to enter and be warmly welcomed, finding caring respite and appreciated protection from both hostile humans and adverse elements.

Are we equipped with the capacity to learn from mistakes and chart a new course of conduct and consideration, finally creating Shalom's overarching harmony? The tradition ushered in by our progenitors is an optimistic one, having faith in God as well as us, while sanctifying the precious gift of life. As we enter the portals of a new year may we master from those who shaped us in ways both manifest and concealed, that we may turn hatred into love, violence into vision, pain into promise, adversity into advantage and blemishes into blessings!

HONORING LOUIS TESSIER'S DECADES OF SERVICE AT THE DEDICATION OF "LOU TESSIER WAY" AT THE WARREN COUNTY

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 10, 2021

Ms. STEFANIK. Madam Speaker, I rise today to honor Louis Tessier for his decades of service to Lake George and all of Warren County, New York, and to mark the dedication of "Lou Tessier Way" at the Warren County Airport.

Louis Tessier first came to Lake George in the 1970s when he purchased the Four Seasons Hotel. He quickly got involved in the local community and was elected to the Lake George Town Board in 1982. Just two years later, Mr. Tessier was elected as Supervisor of the Board, a position he held until his retirement in 2009. His long list of accomplishments in this role includes overseeing \$500,000 in renovations for the Lake George Town Hall, acquiring the land for Usher Park Beach, and

assisting in building the Scoville Learning Center at Adirondack Community College. In addition to his years of service on the Lake George Town Board, he also served as Chairman of the Board for Warren County's Board of Supervisors, budget officer for Warren County, and a member of the American Legion.

A pilot himself, Louis Tessier was a devoted advocate for the Warren County Airport. He went out of his way to support the staff and assist them whenever they needed help. He put in hours of work to help organize the Adirondack Balloon Festival. In honor of his commitment to the airport and the community it serves, the Warren County Board of Supervisors unanimously decided to rename the entrance road to the airport "Lou Tessier Way."

Mr. Tessier truly embodies the community spirit present throughout the North Country. On behalf of New York's 21st Congressional District, I would like to thank Mr. Tessier for his decades of service to Lake George and Warren County and congratulate him for this well-deserved recognition.

IN RECOGNITION OF MRS. VIVIANA MEDELLIN

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Friday, September 10, 2021

Mr. CLEAVER. Madam Speaker, it is with a deep sense of gratitude that I rise today to memorialize the significant contributions of Mrs. Viviana Medellin, an individual who went above and beyond to serve our KC Latino community. She poured her heart and soul into the empowerment of Latino voices, leveraging her Chicana roots and producing so many far-reaching programs that will carry her legacy forward while sharing her culture with many within the Greater Kansas City region.

Before her public service, Mrs. Medellin followed her dream of working with renowned cardiologists Dr. G. Hartzler and Dr. Barry Rutherford in the Cardiovascular lab at St. Luke's Hospital. Prior to working in the Cardiovascular lab, she started at St. Luke's as a nursing assistant and eventually retired after nearly 48 years of service and dedication to public health. It was during that 48 years that she met her amazing and loving husband, Richard Medellin, and together raised their children: Monica Holman, Robert A. Frias, Sophia Byers, and Ricardo Medellin.

Viviana not only was committed to public health in Kansas City, but she was also a devout Catholic, as a long-time parishioner of St. Agnes Catholic Church. Having graduated from Redemptorist Catholic High School in 1965, Viviana was charged at an early age to give back. She also served the Altar and Rosary Society and as a member of the Our Lady of Guadalupe Circle.

It is because of her pursuits to advance the celebration of her Mexican American culture that Viviana served as the President of Azteca de Greater KC and as Vice-President of The Greater Kansas City Hispanic Heritage, advancing several amazing programs over the years. Of those programs, Viviana was a significant contributor to the Fiesta Hispanic celebration that started in 1984 and has been a

beacon of Hispanic celebration and acknowledgement for decades. In addition, Viviana has been a host on Kansas City Community Radio station, KKFI 90.1 FM's Taste of Tejano, where she combined her love of Tejano music and that of sharing her culture through the airwaves. She was certainly an amazing person, sharing her passion for her community with all of Kansas City, and for that she deserves great recognition.

Madam Speaker, I ask my colleagues to join me today in recognizing Mrs. Viviana Medellin for the tremendous accomplishments throughout her career and her tireless efforts in providing Kansas City with celebration of the rich Mexican American culture, thriving within our amazing City. Her contributions to our community have made a significant impact on Missouri's Fifth District and I speak on the behalf of the entire district when I say thank you to Viviana.

HONORING THE LIFE OF MRS. SUSAN "CHERI" CHERYL MAINARD OFNER

HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, September 10, 2021

Mr. LAMBORN. Madam Speaker, I rise today to honor the life of Mrs. Susan "Cheri" Cheryl Mainard Ofner, beloved wife, mother, grandmother, patriot, and friend.

Cheri was born July 27, 1951, in Dallas, Texas to the late Loretta and Aston "Dee" Dale Mainard. She was the oldest of four children, and at an early age, developed a love for sports, her country, and the Lord.

Cheri was a woman of great faith and spent her life dedicated to learning and sharing the Word of God. As a young girl, Cheri's family moved to Houston, and attended Springs Branch Baptist Church, where her mother taught Sunday school.

Cheri attended school as a National Merit Scholar at the University of Texas, where she secured a highly competitive spot on the gymnastics team. It was during gymnastics practice where Cheri met the love of her life, Lee Ofner, in January 1971. The couple's first date was watching Superbowl V, played between the Baltimore Colts and the Dallas Cowboys.

In 1972, Cheri graduated with a Bachelor of Business Administration degree in Finance & Accounting, and in 1973 married Lee in a ceremony at her home church in Houston, Texas. A few years later, in 1975, Lee earned a Doctorate in Dental Surgery degree from Baylor College of Dentistry and began his U.S. Navy tour in Camp Lejeune, North Carolina.

The couple moved back to Dallas after Lee completed his tour with the U.S. Navy. Together with Cheri's degree in business and Lee's doctorate in dental surgery, they established a successful dental practice in 1977. During this time, Cheri and Lee had two children, Jay and Courtney. Cheri was an all-star mom, attending every soccer practice, school musical, ballet, Bible study, etc. She even coached Courtney's gymnastics team.

The Ofners eventually retired from dentistry, and ultimately, found their forever home in 1991 in Colorado Springs, Colorado. Cheri and Lee immediately became involved with their new community, joining several Bible

studies, volunteering on campaigns for the Republican party, and helping with various events and fundraisers at the Colorado Springs Christian School.

Since putting down roots in the Pikes Peak region, the Ofner family attended several churches in Colorado Springs, including Fellowship Bible Church, Woodmen Valley Chapel, Rocky Mountain Calvary, Mountain Springs, and most recently, The Road@Chapel Hills Church.

For the last few years of Cheri's life, she and Lee cared for her father Dee, a WWII veteran, in their home, for which Cheri was extremely grateful.

Cheri is survived by her husband of nearly fifty years, Lee; her loving children, CDR (USNR) Jay (Jennifer) Ofner of Mililani, Hawaii; and MAJ (USAF, Retired) Courtney (Kirk) Olsen of Colorado Springs, Colorado; her beloved grandchildren Amanda, Evie, Aaron, and Kylie; and her wonderful siblings, nieces, nephews, cousins, and friends.

Romans 12:11 commands that His believers, "Never be lacking in zeal, but keep your spiritual fervor, serving the LORD." Cheri did just this and lived her life with conviction, passion, and unadulterated love and excitement for her Heavenly Father. She leaves behind her husband, family, and friends who loved and adored her and who are celebrating her life and reunion in heaven with the Lord God, Almighty. I ask that my colleagues in Congress join me in honoring my friend and fellow patriot, Cheri Ofner, in saying, "well done, good and faithful servant."

HONORING JEROME L. DAVIS FOR HIS SERVICE TO THE METROPOLITAN WASHINGTON AIRPORTS AUTHORITY AND CONGRATULATING HIM ON HIS RETIREMENT

HON. JENNIFER WEXTON

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 10, 2021

Ms. WEXTON. Madam Speaker, I rise today to congratulate a leader in our business and transportation community, Metropolitan Washington Airports Authority Executive Vice President and Chief Revenue Officer Jerome L. Davis, on his upcoming retirement. As the Airports Authority's highest-ranking executive under the president and CEO, Davis has overseen the Office of Revenue, which includes Marketing and Consumer Strategy, Concessions, Airline Business Development, Real Estate, Commercial Parking, Communications and Government Affairs. Davis' retirement caps off a career that has spanned more than four decades as a key executive in major U.S. corporations.

Under Davis' leadership, overall passenger traffic at Reagan National and Dulles International airports increased by more than nine percent, led by growth at Dulles International through the addition of 30 new international routes and 15 new airlines. Davis' efforts to increase non-airline revenue boosted it to an unprecedented 57 percent of total revenue, a \$90 million increase since 2015. In addition, he led a 2015 rebranding of the corporation, including the creation of a new logo to more closely tie the organization to the air travel industry and the National Capital Region.

Davis also led an expansion and upgrade of the airports' concessions program, recruiting many popular global and local brands to provide a greater "sense of place" for the National Capital Region. His accomplishments in this area included the complete redevelopment of over 180 concessions locations, including shops and restaurants in Reagan National's newly constructed concourse; launching new valet parking services; and executing agreements for new passenger lounges, including the American Express Centurion Lounge coming to Reagan National in 2022.

Prior to joining the Airports Authority, Davis held key executive positions in corporations including Procter & Gamble, Maytag, Waste Management, Electronic Data Systems and Frito-Lay. He also recently retired from the boards of two public companies, Apogee Enterprises and GameStop Corp. Davis also has represented the Airports Authority on the board of directors of Destination DC, the District of Columbia's official convention and visitors' bureau.

Madam Speaker, I am proud to honor Mr. Davis and his service to our regional economy, the traveling public, and the gateways for our nation's capital, and I wish him all the best in retirement.

RECOGNIZING NATIONAL PATHFINDER DAY

HON. VAN TAYLOR

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, September 10, 2021

Mr. TAYLOR. Madam Speaker, I rise today in recognition of National Pathfinder Day, a day in which to honor all those who have served in this elite group of soldiers. The Pathfinders hold a special place in the history and, more importantly, the successes of our Armed Forces. These brave volunteer soldiers were trailblazers who played a vital role in heightening our military's precision and capabilities.

The Army Pathfinders were first utilized at the height of our involvement in World War II as newly formed paratrooper units were being scattered during combat jumps as far as 60 miles from the target. Prior to their formation, a consistent tactical issue had been the inaccurate and widely scattered drop zones for our paratroopers. The correcting course our military found was to assemble volunteer units to drop in the prior night, undetected by the enemy, and set up marked drop zones for our parachuting soldiers and gliders—widely considered a suicide mission. However, these first Pathfinders' bravery and tenacity in the face of a seemingly impossible mission led to success.

Pathfinders have been employed in every major conflict, continuing to drop into unknown enemy territory with no larger force to rely on for retreat or reinforcement. They would continue to do all of this in the name of providing their brothers-in-arms with accurate information and other operational support. While modern technological advancements and the everchanging landscape by which we conduct warfare have shifted so that units such as the Pathfinders are no longer utilized, we would do well to remember the traits that these patriots exhibited—bravery, selflessness, and an

undying need to complete what was requested of them. Now as the National Pathfinder Association gathers in fellowship to commemorate this September 13th Day of recognition, I ask my colleagues to join me in reflecting upon these giants of valor.

HONORING MR. BRYAN O'BRIEN

HON. GUS M. BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 10, 2021

Mr. BILIRAKIS. Madam Speaker, I rise today to recognize the life of Mr. Bryan O'Brien, a recently-departed constituent of mine who served in the United States Air Force during the Vietnam War. Due to contentious public debate on our nation's involvement in the war, returning Veterans were denied the appropriate recognition for their service. Thankfully, Mr. O'Brien and his fellow service members did not accept this unfair mistreatment. They advocated for one another and for future generations to ensure all returning service members are treated with respect and honor, regardless of the public opinion of the war itself. They have been quite successful in this endeavor. Bryan was a proud Member of the SPC Zachary L. Shannon Memorial VFW Post 2550 in Dunedin, Florida. He also served as the national sergeant at arms for the VFW. He was a founding member and past vice-president of the Heritage Springs Veterans Club. A true patriot, Bryan loved his country and made an indelible mark on both our community and those who had the privilege of knowing him. Indeed, Bryan leaves behind a legacy of service and sacrifice. May his memory be eternal! My thoughts and prayers are with his widow, Patricia, and his three children: McKenzie O'Brien, Craig Wagner, and Robert Wagner. Thank you, I yield back my time.
